Princes Are Great In '78

The '78 season proved to be a rewarding one for the mighty Princes. The nickname, "Crimson Crush," was given to the team mainly because of the relative ease in which they crushed their opponents.

Besides winning the Blackhawk conference and entering the State Playoffs for the 5th consecutive year, they were also the #1 scoring team in the state. As well as the #1 offensive team, they were also #2 defensively in the state. This year's team broke the school record for total points in a single season by scoring 413 points.

Being ranked 2nd in state most of the season, the "Crush" made up half of the All-Conference 1st team, placing 6 on offense and 5 on defense. The team's most valuable player was John Romane, most valuable lineman was Mike Powers, and most valuable back was John Romane. Most improved awards went to Dave German, Brent Dallinger, and Colin Ness.

The boys' basketball team got off to a slow start losing 4 of their first 5 games. They did, however, put things together and turned out a Blackhawk Conference Co-Championship by matching their 11-3 record with Wyoming whom they beat twice in conference play. In the regionals the team won its first game against Neponset and then played the 4th rated team in the state, Wethersfield. It was a fast pace, scrappy game from the start but Wethersfield was the winner with a narrow 65-62 win. The Princes ended the season with a 15-11 record.

The team's most valuable player was Tom McCoy. He was the team's most outstanding player as well. Tom McCoy also received All-Conference 1st team awards with juniors Gary Yess and Herb Aten receiving 2nd team All-Conference and Honorable Mention All-Conference awards respectively.

The baseball season was a very successful one. The team had little trouble in conference play with evidence in their perfect 12-0 record. The team's game plan was to minimize mental errors and be on top of the situation 100% of the time.

The squad will lose six players via graduation but the future still looks bright for the Princes next year as five starters will be returning in quest of a 4th consecutive Blackhawk crown.

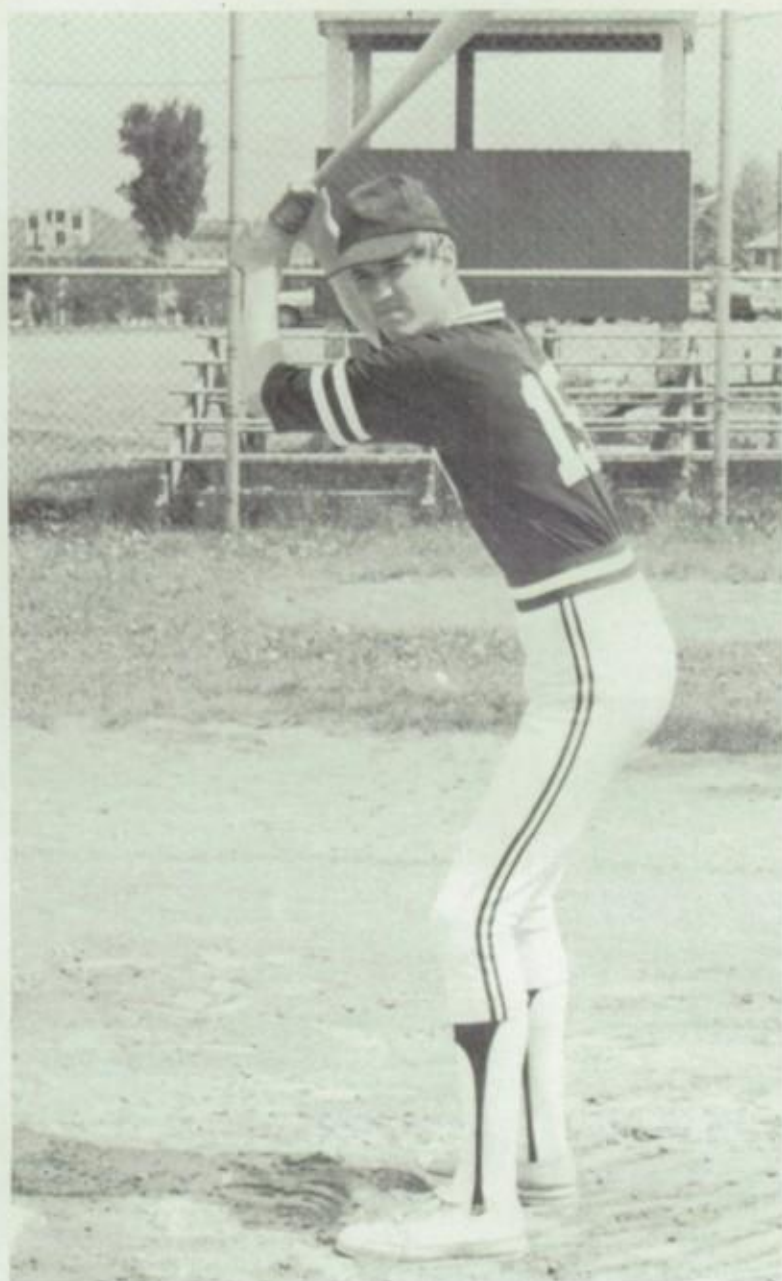

In addition to being Blackhawk Champs, the team also captured its second straight regional crown. After a 7-4 win over Eureka in the championship game of the regional. The team traveled to the Granville Sectional at Putnam County High School.

They defeated Monmouth in the first game on a 1 hitter by the team's best pitcher John Romane. Princeville was matched against Henry in the title game. The Princes lost the game, however, by a 4-9 margin. But 1st year coach Jerry Rashid, was very proud of his team's performance throughout the season. The highest batting average award of the season went to John Romane, .460 for the second year in a row. Tom McCoy was most valuable player

This year our cheerleaders have really created a lot of spirit at school. They brought to Princeville this year, new ideas at pep rallies, new cheers and new moves unsurpassed by any others. They drew raves not only from our crowd but also from our opponents. Princeville fans are very proud of our athletic teams and equally proud of our fantastic cheerleaders.

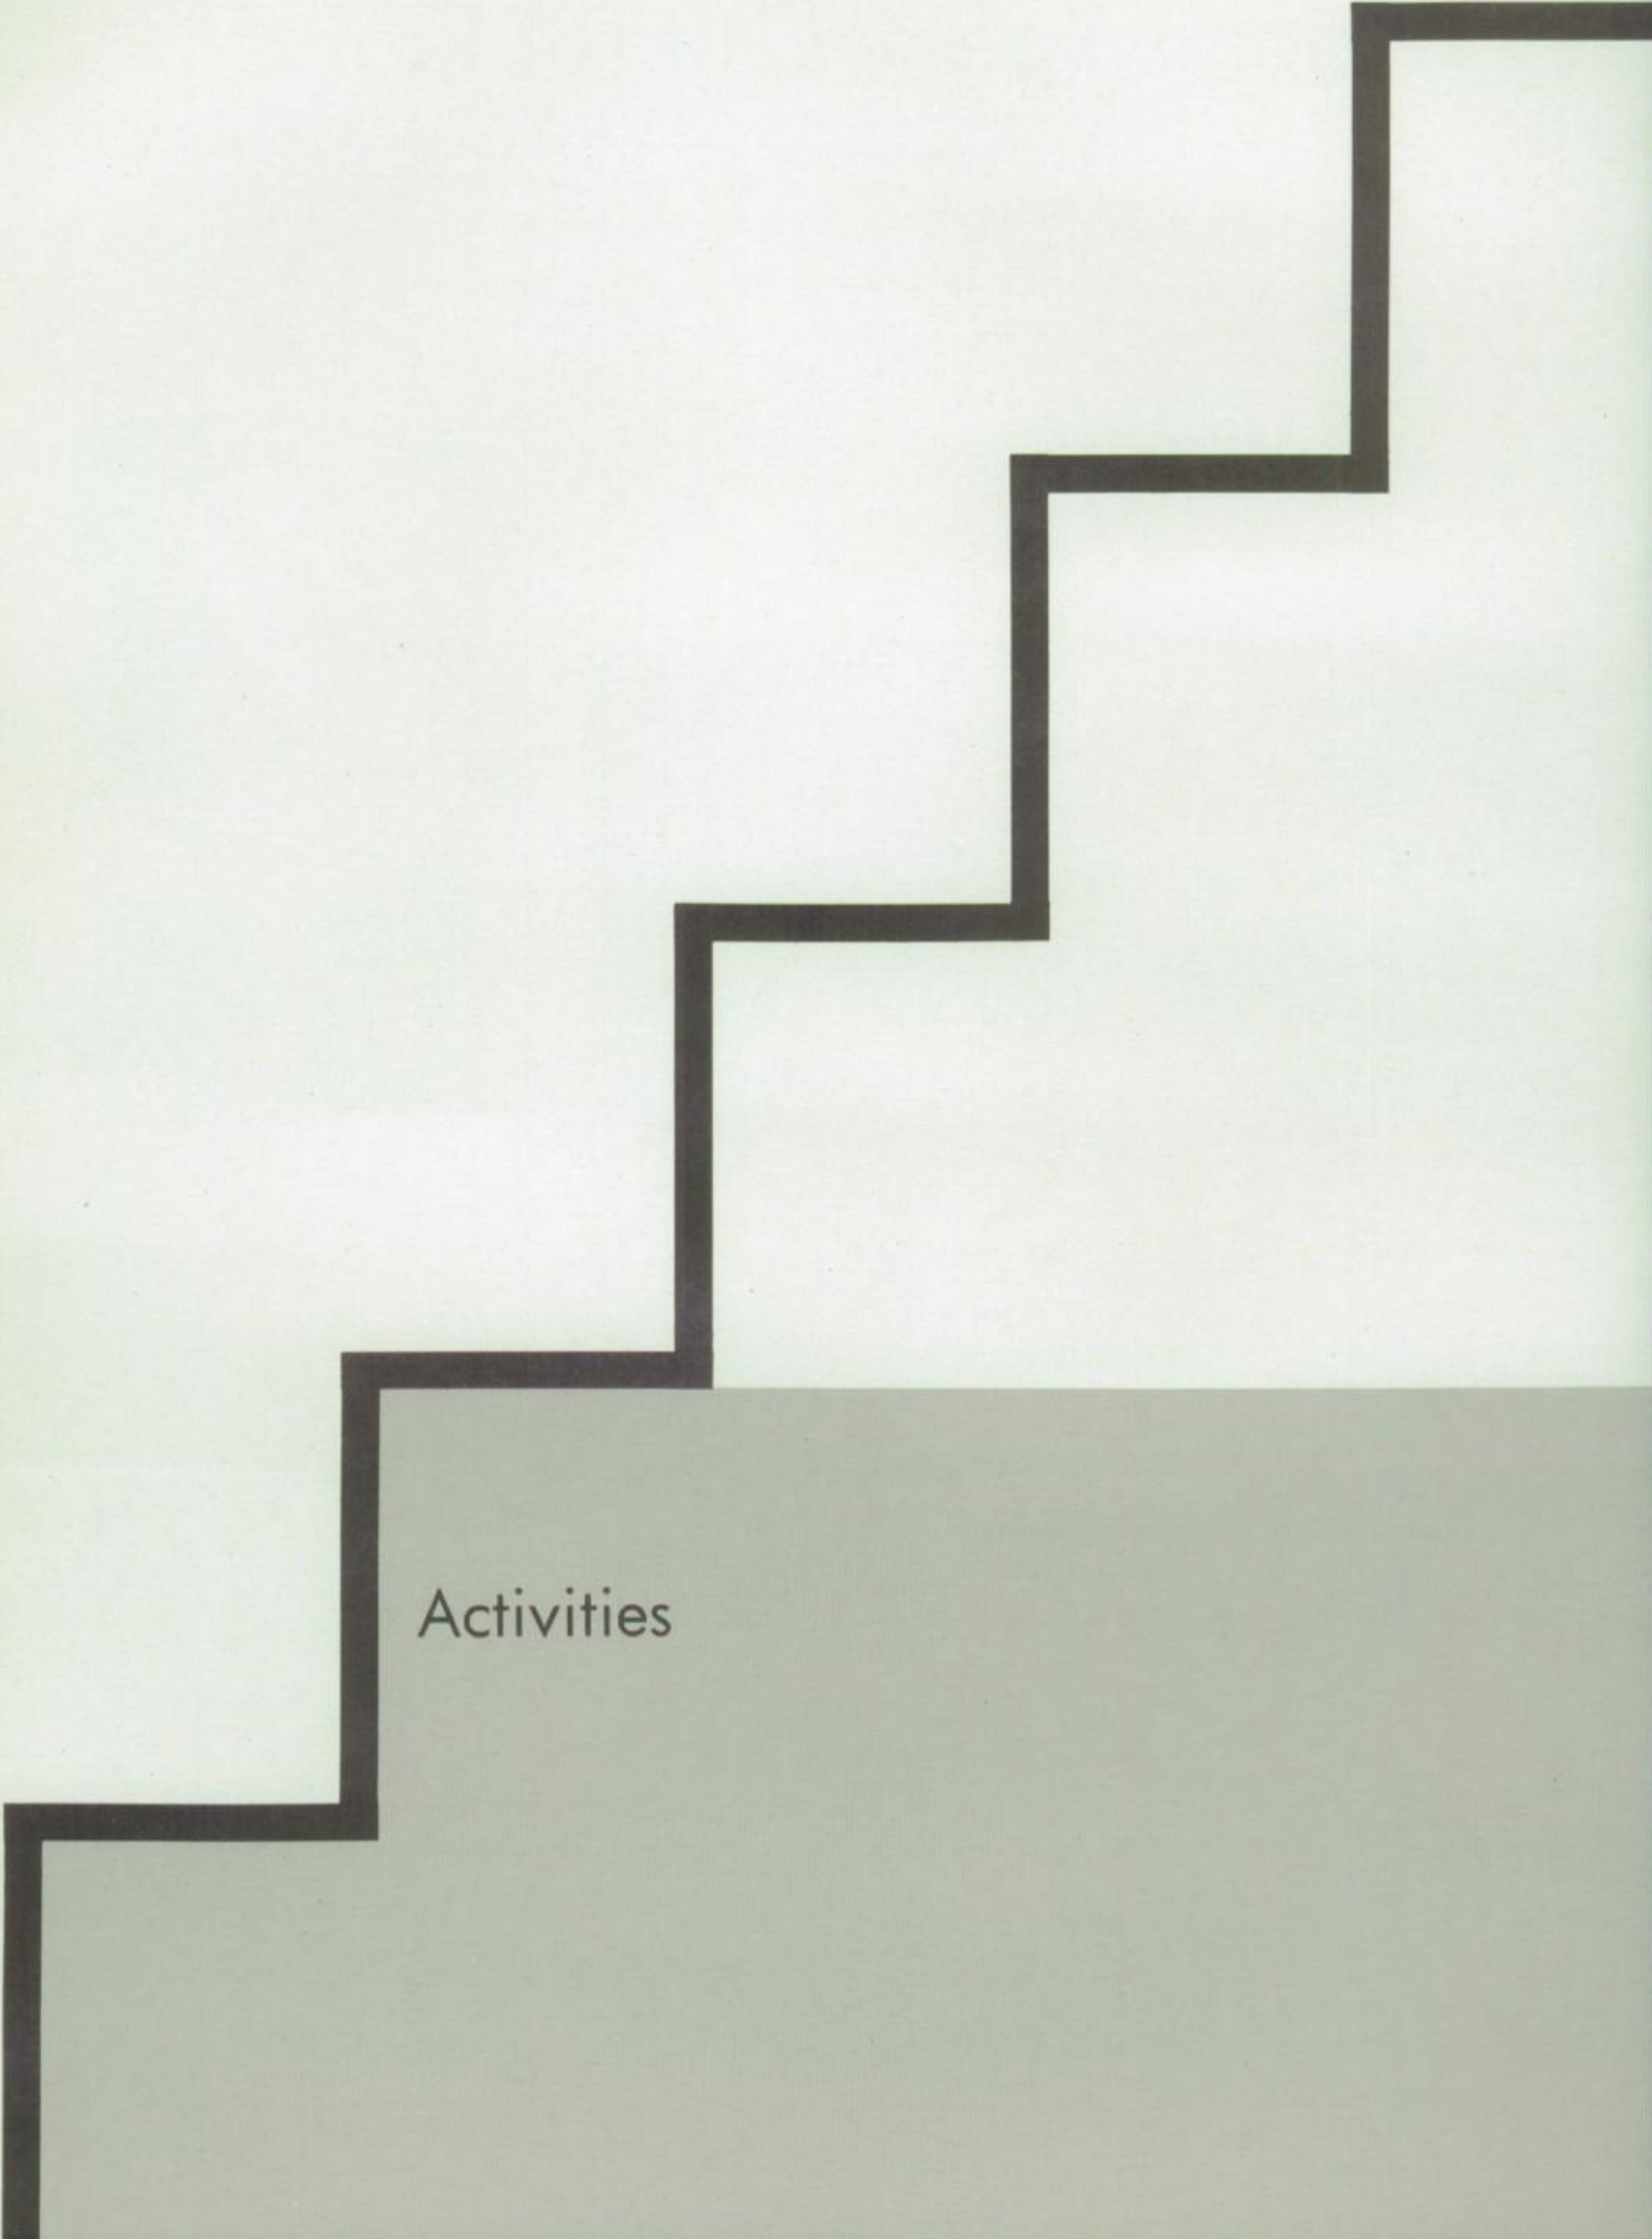

Students Speak Out for Rights

On April 11, the students of PHS held a sit-in in the gym to protest not being given four additional days of Easter vacation. The students wanted to make sure that their feelings were known to the school board. Mr. Haynes and Mr. Banks spoke to the students and encouraged them to return to class. The students were in the gym approximately three hours. Mr. Leuthold, a school board member, arrived and answered all the questions the students had. Rick Daum did an excellent job keeping the students in order and leading a very peaceful demonstration.

The Princeville High School SPEECH TEAM competed in four individual events Tournaments during the 1978-79 season. The season began with the Blackhawk Conference Tournament at Tremont in November followed by the Richwoods Invitational in Peoria the following month. This was followed by the Illinois Central College Competition early in January. The season ended with District Competition at East Peoria in February. Speech Team membership is open to both experienced and novice competitors from all four classes.

P.H.S. students go to Mexico. On June 20, 1979, 15 students along with Mrs. Smith departed from St. Louis for a week's trip to Mexico. The plane landed in Mexico City where the group spent four days visiting the sights of the city. After leaving Mexico City the group left for Taxco, the silver capital of the world. They spent a night at Taxco visiting some of the small shops of the town. Then it was on to sunny Acapulco, with its warm, sandy beaches. The group spent a lot of time in the ocean. At night they saw the world famous cliff divers. The group enjoyed the sights even more since they had studied the culture of Mexico in Mrs. Smith's Spanish class.

Dan Bateman, Julio Garcia, Jon Bateman

This is the motto of the American Field Service. AFS also stands for sharing and this year we shared our hearts and homes with Julio Rafael Garcia Gonzales from Caracas, Venezuela. Julio, who stayed with the Jon Bateman family, was born on September 8, 1960 in Caracas. Julio graduated from the Instituto Educacional el Junkito in 1972 and the Liceo: Augusto Pi Suner in 1978. He enjoys hamburgers, the cheerleaders, the teams, the band, and the overall enthusiasm of the students shown at pep rallies and games. "They do not have these things in Venezuela," exclaims Julio and they certainly are a new experience for him.

The AFS chapter at Princeville will continue to bring other students in future years to share a part of their lives with us.

The school board is responsible for the whole education system of School District 326. During the year they are involved in arranging everything from transportation for the students to hot lunches in the cafeteria. The board members meet on the second and fourth Tuesdays of every month to discuss various subjects that have come up, including class scheduling, teacher contracts, taxes, etc. We are proud to have this fine school board in charge of the Princeville schools.

Dedication

We, the class of 1979, would like to dedicate this edition of the Maroon to Mr. James E. Haynes and Mrs. Ethel K. Dukey.

Mr. Haynes has been principal at P.H.S. for 7 years and Mrs. Dukey has been secretary at P.H.S. for 10 years.

During these years they have been both authoritative and at the same time our friends.

Mr. Haynes always tried to understand our problems and we appreciate his helpfulness and concern.

We will always appreciate Mrs. Dukey's patience and understanding and we'll never forget her morning announcements.

We hope this dedication will help to express our thanks to them.

Have a good today and a better tomorrow!

At this time I would like to thank those who helped make this yearbook great.

To our advisor, Mrs. Cluskey, who put in lots of effort, and to the rest of the Maroon staff.

I would like to thank Tom McCoy and especially Mrs. Mary Streitmatter, who gave up her time, to drive us to the Canton yearbook workshop.

This year we had our disagreements and agreements, but it all ended in a success. I think most of us learned that it takes a lot of cooperation to put together a yearbook.

I am glad that I had the opportunity of being the Editor, and I thank everyone for their cooperation. It made doing these jobs a lot easier.
